Intuition · the paper die

finished cube 6 cm · cut along the solid lines, score the dashed ones, glue the tabs · with an adult, craft knife or scissors

intuition.thecosmicapp.com/book · print on thick paper (160–200 g) if you have it

1 · Cut along the outer outline, tabs included (craft knife or scissors; an adult).

2 · Score every dashed line with a ruler and a fingernail, without cutting, so it folds cleanly.
